14) The Schedule on page 21 appended to the Kerala City Municipalities Election Rules 1952 specifies the Symbols to be used in the Municipal Elections These Symbols substantially differ from the Symbols which were used at the recent general elections to the Legislatures. Curiously enough without referring to the Rules which should govern the elections the Municipal Corporation has sought the permission of the Chief Electoral Officer to use the Symbols assigned at the recently held elections to all such political parties during the last general elections - the latter being perhaps prompted by the parties for obtaining such permission with the idea of popularising their individual Symbols. The Chief Electoral Officer has granted permission to such use

use of Symbols at the Assembly elections

earliest reference in the file at the appropriate stage to the concerned administrative Secretariat. Be that as it may, the grant of permission by the Chief Electoral officer does not make it incumbent or obligatory to use those Symbols only the Commission could as well have sent up the recommendation through this office instead of directly addressing the Chief Electoral officer

15) The point for consideration now is whether the Symbols assigned to the All-India political parties should be used at the ensuing elections to the Assembly municipal Council only specified in the Schedule to the Municipal Election Rules the Election Commission of India however feel that the Symbols allotted at the last general elections to the parties have become closely associated with the respective parties and that this association of particular parties with the Symbols allotted to them should be strengthened in every way so that the idea underlying the Symbol System may take root. It was on this score only that the suggestion for ~~exemption~~ permutations the

use of Symbols at the city municipal Elections

use of All India Symbols was agreed to pay the Election Commissa Since elections are also held on the basis of adult franchise, the use of All India party Symbols will facilitate many illiterate Voters to identify Candidates & recognised parties. If this has to be done the Schedule to the Mysore city Municipalities election Rules may have to be amended Suitably for which there may even not be time as the term of the Council is proposed to be extended. Otherwise only the Symbols Specified in the Election Rules will have to be allotted.

19) Seek for orders.

Ley 29/1/53 17) The Rules for the Election of Divisional Councillors Provide for 23 Symbols If any Symbol other than these are provided in Rule is to be assigned, then the Rule must be suitably Changed If agd, the Symbols suggested by the Chief Electoral officer will be added on to the Schedule and the draft Rule will be Published Calling for objections ~~as was done~~

31) Reference is invited to letters no "T" 32/11/52 - Elec II dated the 4th July 1952 and the "A" 21st October 1952 received from the Secretary Election Commn India in the matter

32) While the Commn have expressed no objection to the use of the free symbols at elections to local boards, they have permitted the use of the symbols allotted to the All India "A" Political Parties, only on certain conditions, - viz.,

i) that the designs of the symbols used at the General Elections having been standardised should be used at elections to Municipalities or Dt Boards, without any alteration whatsoever,

ii) that if an Absolute any party its organisation and formations as a State Party, and if a

Symbol has already been allotted to such party by the C E O, it should be allotted to the candidates of the same party contesting the elections to the local bodies, and

iii) that before a party symbol is allotted to any candidate, the authority allotting the symbol should be fully satisfied that the candidate in question is in fact the official candidate of the party in question

3d) only four parties are now recognised as the national parties for the purpose of allotment of symbols They are -

i) Indian national Congress
ii) Praja Socialist Party
iii) Communist Party
iv) All-India Bharatiya Jan Sangh

3e) Recognition has not been given to any of the other parties in the State

3f) It seems desirable therefore that the conditions under which permission has been accorded by the Election Comm^n. for the use of the Symbols allotted to the All India Political Parties, at the elections to the Municipalities, should also be incorporated in the draft amendment proposed to the Nagpur City Municipalities (Election) Rules, 1952, as otherwise, it would be construed that these symbols may be used without any reservation whatever

use of Symbols – Amendment to the Mysore City Municipal Election Rules 1332/E B

(13)

37) The amendment now proposed only to the Schedule does not ~~[illegible]~~ cover the points indicated at paras 33 to 35, and in that respect, amendments to the Mysore City Municipal Act as well as to the Municipalities Election Rules, also seem to be quite necessary

38) Rule 5 and Sub-rule (1) of Rule 10 of the Representation of the People (Conduct of Elections and Election Petitions) Rules, 1951, provides for the allotment of the necessary Symbols to candidates, at elections to the State Legislative Assembly and to the House of the People, which may also perhaps be followed with regard to the elections to the City Municipalities

Mair 15/5 BB

39) The mere issue of a notification does not appear to be sufficient the law of municipal elections should be brought on as far with the provisions of the Representation of the People Act, 1951 and the rules ~~of~~ thereunder governing the allotment of symbols
